- » Extended Run Time

POPULAR OPTIONS

- » Fusion stereo
- » Simrad GPS/chartplotter
- » Simrad VHF radio
- » Boarding ladder
- » Dual floodlights
- » Auxiliary bench seat
- » Bow sprit/anchor pack

7.7M SPORT D-TUBE

The Sealegs 7.7m Sport D-Tube is our supersized all-aluminium hulled craft. The 7.7m D-Tube combines the rugged design of our smaller 6.1m D-Tube with the size and internal space of our 7.7m craft - giving you the best of both worlds.

The sport centre console allows full walk-around access to the entire craft, while still giving you space for all the electronics you need for a trip out on the water. The placement of the inboard powerpack on the transom allows for additional under-seat storage beneath the helm seat, and the tall pontoons give a smooth and secure ride.
